Classroom Response Kit

Each classroom should consider developing a "response kit" to have available for use during an emergency situation. Items in the kit should not be used for anything other than emergency preparedness training activities. The kit should be portable and readily accessible for use in an emergency.

- Clear plastic backpack
- Dry-Erase marker, black
- Dry-Erase marker, red
- Duct tape
- Dust mask
- Emergency blanket
- First aid kit (including band-aids, antiseptic ointment, gauze & medical tape)
- Flashlight (friction)
- Green & red signs and white laminate sheet
- Hand sanitizing wipes
- Ink pen
- Notepad
- Pencil
- Permanent marker
- Post-its
- Q tips
- Rubber door stop
- Scissors
- Sunscreen
- Trash bag
- Vinyl and latex gloves
- Water bottle
- Whistle and lanyard
- White peel-off stickers

Items specific to your school

- Lists of other emergency phone numbers
- Faculty/staff roster (including emergency contacts)
