

Classroom and Building “Hazard Hunt”

MASTER LIST (Mitigation Plan)

Each Emergency Response Team is required to identify circumstances unique to its school/campus/facility that present unique risks to persons or property. These may include materials used within the building, potentially troublesome evacuation routes, dangers due to geographic location, proximity to potentially hazardous buildings in the community, issues related to sharing a campus with another school, etc.

Using information from “Classroom and Building ‘Hazard Hunt’ forms”, as well as insights from Emergency Response Team members, list below any specific risks or potential hazards needing special consideration and plans to address them (copy form as needed):
