

Timelines of Dates for Implementation of Senate Bill 1

- **July 1, 2019:** the Kentucky Office of Homeland Security shall make available to each school district an anonymous reporting tool (tip-line) that shall be accessible by at least telephone, email or texting.
- **2019-2020 school year and each subsequent school year:** local school superintendents shall appoint a district-level School Safety Coordinator (SSC).
- **Within the first 10 instructional days of each school year:** principals shall provide written notice to all students and parents/guardians of the provisions of KRS 508.078...terroristic threatening and the potential penalties under KRS 532.060 and KRS 534.030.
- **September 1 of each year:** State School Security Marshal (Marshal) shall present an annual report to the Kentucky Center for School Safety (KCSS) Board of Directors
- **September 15 of each year:** schools shall provide suicide prevention awareness information by either in person, live streaming or via video recording to all student in grades 6-12. (Note: staff members who come in contact with students shall receive one hour of high quality suicide prevention training as one component of the required four days of professional development training.)
- **November 1st of each year:** local school superintendent shall report to KCSS the number and placement of SROs including the source of funding and the method of employment for each SRO.
- **November 1, 2019 and each November 1 thereafter:** a minimum of one hour training on how to respond to an active shooter situation shall be required of all school employees.
- **November 1, 2019 and November 1 thereafter:** local superintendents shall report to the Department of Education the number and placement of school counselors including the funding source and job duties.
- **January 1, 2020:** The Kentucky Law Enforcement Council shall establish three levels of training for School Resource Officers (SRO).
- **January 1, 2020:** all SROs shall successfully complete 40 hours of annual in-service training (new SRO curriculum)
- **July 1, 2020 and July 1 of each subsequent year:** KCSS shall provide an annual report including the number of SROs in school districts and the source of funding and method of employment.
- **July 1, 2020:** KDE shall make available a toolkit that includes guidance, strategies, behavioral interventions, practice and techniques regarding trauma-informed approach practices.
- **July 1, 2020:** Marshal shall develop a School Security Risk Assessment Tool.
- **July 1, 2021 or as funds and qualified personnel become available:** school districts shall employ one counselor in each school and a goal of having one counselor for every 250 students...spending 60% of their time by providing direct student contact.
- **July 1, 2021 and annually thereafter:** SSC shall advise the local superintendent of the completion of the required security risk assessment.
- **July 1, 2021:** each local board of education shall develop a plan to implement a trauma-informed approach in its schools.
- **July 15, 2021 and each subsequent year:** local school superintendents shall send a verification to the Marshal that all schools within the district have completed the school security risk assessment.
- **2021-2022 school year and each subsequent year:** if a school has NOT completed the school security risk assessment in the previous years, the school staff shall be required to receive additional training as prescribed by DOCJT.
- **July 1, 2022:** School districts shall comply with KRS 158.162 (3) (d) access control standards. (IF a school district is NOT in compliance with these standards, the school district shall not be eligible for approval for new building construction or expansion for the 2022-2023 school year...except for facility improvements that specifically address KRS 158.162 (3) (d).)
