

Light the Way: This week aims to “Light the Way.” Schools can promote and enhance school safety through targeted activities and discussions. The goal is to raise awareness about various aspects of school safety and empower students, teachers, parents, and the community to take proactive measures to create a safe learning environment.

KY SAFE SCHOOLS WEEK · OCTOBER 15-21, 2023

KY CENTER FOR SCHOOL SAFETY

I pledge to
“Light the Way” by:

- Understanding that school safety starts with Me
- Preparing for emergencies
- Being a good digital citizen
- Showing kindness
