

FOCUS

ON SCHOOL SAFETY

**KY SAFE SCHOOLS WEEK
SEPTEMBER 8-12, 2025**

This dedicated week aims to empower schools to strengthen their safety initiatives through targeted activities and discussions. The goal is to raise awareness about various aspects of school safety and empower students, teachers, parents, and the wider community to take proactive steps in creating a safe and nurturing learning environment for everyone.

I pledge to “Focus on School Safety”:

- ☒ I will “frame the positive” by showing respect, kindness, and acceptance to others.
- ☒ I will “zoom in on kindness” and stand against bullying behaviors in all forms.
- ☒ I will “adjust my focus” by staying alert and reporting anything that doesn’t seem right.
- ☒ I will “capture responsibility” by owning my actions and following school rules.
- ☒ I will “develop the full picture” by working with others to build a safe, supportive school community.
