

STRONG ROOTS. SAFE SCHOOLS. PLEDGE

I PLEDGE TO HAVE
"STRONG ROOTS. SAFE SCHOOLS":

- ☒ I will "Plant the Seed" by making choices that prevent harm, showing kindness, and taking responsibility for creating a safe environment.
- ☒ I will "Grow Connections" by building positive relationships, listening with empathy, and supporting those around me.
- ☒ I will "Strengthen the Trunk" by caring for my mental health, encouraging resilience in others, and asking for help when it is needed.
- ☒ I will "Branch Out" by welcoming everyone with respect, celebrating our differences, and helping each person feel they belong.
- ☒ I will "Harvest Safety" by recognizing the positive actions that strengthen our school and committing to continue building a culture of safety throughout the year.

Strong Roots. Safe Schools. Pledge

Strong Roots. Safe Schools.

Together, we are the roots that support one another, the trunk that stands strong, the branches that reach every member of our school community, and the future that grows from our actions.

This dedicated week aims to empower schools to strengthen their safety initiatives through targeted activities and discussions. The goal is to raise awareness about various aspects of school safety and empower students, teachers, parents, and the wider community to take proactive steps in creating a safe and nurturing learning environment for everyone.
