

TRAINING ANNOUNCEMENT

The "**Orientation for New School Resource Officers**" highlights best practices and discusses: legal issues, roles and responsibilities, and school safety. Ample time for Q & A will also be given. The 3-hour orientation is intended for newly assigned SROs, who have not yet attended Basic SRO Training or seasoned SROs who are looking for ways to support and enhance their programs. This training will provide School Resource Officers with important information about School Based Policing. It will also provide an opportunity for new SROs to interact with the Presenter who is a veteran School Resource Officer, and other participants. This training is a good supplement for school resource officers who have already attended Basic SRO in-service training or have not yet scheduled that training. ***NOTE: This does not take the place of the 40 hour basic and advanced SRO training offered by DOCJT.***

These trainings are FREE of charge.
